REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

After reading applicants' remarks in the after final amendment filed 4/5/04 and calling applicants' representative to ascertain how the primers referred to on page 19 lined up with SEQ ID NO:1, it was concluded that the instant claims were allowable. In the instant amendment applicants deleted all mention to Table I and pointed out where the specification teaches that rVPx2 and rVPx3 have activity and exactly what these two constructs consist of.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
